

DR. TOM PITTS AND DR. STUART FROST

ADVANCED FINISHING IN-OFFICE COURSE

SEPTEMBER 13-15

JUNE 7-9

RECOMMENDED FOR EXPERIENCED DOCTORS WHO HAVE STARTED 100+ CASES USING PASSIVE SELF-LIGATION BRACKET SYSTEMS

Dr. Pitts and Dr. Frost's hands-on intensive course focuses on treatment efficiency in a clinical, live patient setting. This session provides the most recent, up-to-date knowledge and skills to enhance your passive self-ligation system. You will learn advanced treatment planning principles for improved facial aesthetics, practice and clinical case management strategies and step-by-step instructions for all phases of treatment utilizing passive self-ligation treatment mechanics and low-force technologies.
