

# Get Results with the Damon System!

## Advanced In-office Courses with Dr. Stuart Frost

April 8 – 9, 2010

October 28 – 29, 2010

### Dr. Stuart Frost

Dr. Frost received his dental degree at the University of Pacific and practiced general dentistry for five years. Following a one-year fellowship in TMJD, he attended the University of Rochester for his orthodontic residency.

Dr. Frost practices in sunny Mesa, Arizona. He is currently a part-time associate clinical professor at UOP orthodontic program and has lectured on the Damon System at numerous Damon Forums, Damon Seminars and other Ormco sponsored events, including the national AAO annual session and component meetings.

### Comments from course attendees:

*"Dr. Frost and staff thoroughly demonstrated all of the clinical applications of the Damon System!"*

*"I like the open nature of this course, which allowed me to ask many questions."*

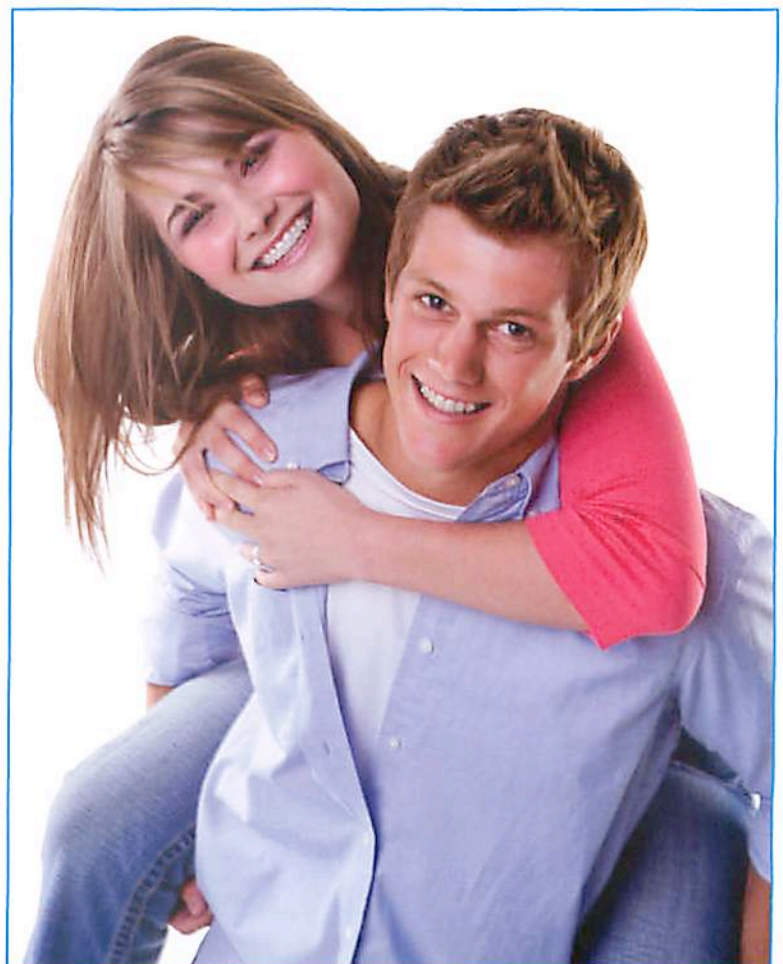

*"The way the lecture was integrated with patients was key in helping me bring it all together."*

**Damon® System**  
CERTIFIED EDUCATOR

Recommended for doctors who have attended a Damon seminar, Dr. Frost's hands-on course provides you with the knowledge and skills to fully implement the Damon System into your practice. You'll learn treatment planning principles for improved facial aesthetics, practice and clinical case management strategies and step-by-step instructions for all phases of treatment utilizing Damon System treatment mechanics and low-force technologies.

Only a limited number of treatment coordinator and assistant training spots are available, so register today!
